- Any financial aid you expect to receive *(grants, scholarships, federal aid, etc.)*

## Consolidation Student Loan

Current lender(s)\*:

- Name of lender
- Payoff address
- Type of loan *(private, subsidized, unsubsidized, etc.)*
- Account number(s)
- Current balance(s)

## Other Important Application Items:

- You need two years of credit history. This shows us how you are managing your credit, including the amount of debt, number of credit lines, and the timeliness of payments. We use this information to make a decision about your loan application.
- If you don't have two years of credit history, you may need a cosigner. A cosigner is someone who applies for a loan with you that has a good, established credit history and agrees to pay off the debt if you are unable to make payments.

\*To expedite the credit decision process, it's best if you can upload your most recent loan statement(s) with all of the information below "Current lender(s)" on it.
