NOW, A LITTLE MORE ABOUT US!

Since you're a part of the family, we should let you know, CEFCU started in 1937 with a cigar box. Yes, you heard that right — a cigar box — where a group of co-workers pooled together money to lend to others. With our focus of helping member/owners improve their financial well-being, we have grown to where we are today. Being a credit union, there are zero outside investors. Those who borrow and save with us, are the owners — which is you!

Plus, your CEFCU accounts are federally insured to at least \$250,000 by the NCUA, through the National Credit Union Share Insurance Fund (NCUSIF), a federal fund backed by the full faith and credit of the United States government. Roth and Traditional IRAs are insured up to an additional \$250,000; Trust funds up to \$250,000 per beneficiary. Hopefully that gives you peace of mind knowing your funds are covered.

WHEW, THAT WAS A LOT OF INFORMATION.

We're sure, at some point, you'll have questions. So, give us a call at **1.800.633.7077** or visit cefcu.com/contact.

Or, maybe you just want to stop in and chat with us. Come on in, we love people-y people! Find a Member Center near you by visiting cefcu.com/locations.
